

FORMAT FOR APPLICATION OF STANDALONE AGRICULTURE
SOLAR WATER PUMPING SYSTEM

Type of Pump :	<input type="checkbox"/> Surface		<input type="checkbox"/> Submersible		
<u>Customer Details</u>	Name:		Father Name:		
	Serial No. of the approved list:				
	Address with House No.:				
	Dist:-				
	Phone Number 1:		Phone Number 2:		
<u>Location Details</u>	Nearest Bus stand (B/S) :		Distance from B/S :		
	Land mark to Reach:		Distance from District HQ		
	Cultivable land Area Available				
	Land Type		<input type="checkbox"/> Flat	<input type="checkbox"/> Hilly	
	Source of Water		<input type="checkbox"/> Pond	<input type="checkbox"/> Bore	<input type="checkbox"/> Well
	Latitude / Longitude :				
	Communication network availability				
	<input type="checkbox"/> Airtel	<input type="checkbox"/> BSNL	<input type="checkbox"/> Vodafone	<input type="checkbox"/> Jio	
<u>Surface Pumps</u>	Head of Pump (Vertical height from water level to pump):				
	Depth of Water source				
	Horizontal distance from water source				
	Is the pump located in the farmer's farm				
	Distance of Shadow free area for solar module from water source				
<u>Submersible Pumps</u>	Is the bore readily available at the site				
	Head of Pump (Vertical height from water level to pump):				
	Bore depth				
	Bore Diameter				
	Diameter and Length of Casing pipe installed in the bore				
<u>Solar Module</u>	Is Shadow free area available				
	Area of shadow free space available for module installation				
	Type of Soil
